Camper Kit List of Clothes and Personal Items

Please mark items clearly with your child's name using a waterproof marker.

Please note, that while we will do our best to try to make sure your child or child-in-care brings back all their clothes and personal items, **however our Camp and staff and workers are NOT responsible for any of your child's personal effects which may be lost.**

The following items should NOT be taken to Camp by your child:

- cell phones
- iPods / mp3 players
- hand held electronic games
- laptops or iPads
- perfumes
- cosmetic lipstick or gloss - however a lip balm or moisturizer with sunscreen is recommended
- jewelry
- knives or weapons of any kind
- firecrackers or flammable materials or liquids or lighters or matches
- aerosol containers of any kind - in the case of bug and mosquito repellent, please send a liquid or cream

If these items are brought to Camp they will be taken away by our Camp staff. While we will endeavour to safely keep them and return them to you and/or your child at the end of your child's camping session, **we are not responsible for their loss or damage.**

There is no need for your child to bring money, which may be lost or stolen, as all their food and snacks are provided and there is no store or canteen on the Camp property.
